Statement of purpose

Not exceeding one page, please state in your own words why you are applying for a position in my lab, and how you hope to benefit from it. Be specific about your research interests. Please note that this Statement of Purpose is extremely important for your application process, so DO NOT COPY/PASTE a generic statement from your CV.

Checklist

For German applicants:

Bitte füllen Sie das obige Formular aus und senden Sie es mir zusammen mit Ihrem Lebenslauf, einer Kopie Ihres Studienbuchs und Ihres Masterzeugnisses (Doktoranden) bzw. einer Kopie Ihres Masterzeugnisses, Ihrer Doktorurkunde und einem pdf Ihrer Doktorarbeit (Postdocs) zu.

For International applicants:

Please enclose the following officially certified and translated copies (translations only required if documents are not in German or English):

- The completed **application form**
- Notarized copies** of all diplomas and degrees
- A complete **grade transcript** from your university (= a list of all the courses you took, with course duration and grade, e.g.: Organic chemistry lab class, 20 h/week for 1 semester, A+)
- The **recommendation letters**
- A **statement of purpose** outlining your reasons for wanting to join my lab, in English
- Your **CV**, in English

With the signature below the applicant declares that all the statements on this form are complete, true and correct:

Place, date
Signature

Please return your application to:
